Welcome To Kindcare Pharmaceuticals

Kindcare Pharmaceuticals – An ISO 9001:2008 company is a dream conceived by a group of young entrepreneurs who strive to grow through the principles of networking and modern trade methodology with an object of making essential medical products available at every corner of India. Having it's headquarter in Solan - India; Kindcare has been able spread its wings across India in a very short time. Today Kindcare products are present in more than 22 states and more than 185 districts through it's channel partners and key distributors. We expect to triple our presence and reach before the end of 2015. We aim to set the standard of excellence through our experience, dedication, consistency & commitment.

We take the opportunity to introduce ourselves as the fast growing Pharma Company based at Solan (HP) having all India network under third party manufacturing facility to serve the pharmaceutical industry in the best possible way by providing the latest and sophisticated molecules with quality and batch to batch consistency. We cover all several major disease areas, including malaria, typhoid, and anti allergy; also embracing antiinfective, nutritional deficiencies, ulcers, diarrhea, asthma, cough & cold, typhoid, hypertension, cardiovascular, muscle relaxants, arthritis, anxiolytics, antidepressants, pain management, etc
