Welcome to KMP AYURVEDIC

An insight and fondness for ancient Ayurvedic know-how led to the inauguration of a far reaching brand called KMP Ayurvedic. The products of KMP Ayurvedic are processed by Edible Products India Ltd, situated at Paikpara, Kolkata. The company is familiar with methodologies of synthesizing high-priced and graded Edible oil for the last 36 glorious years. Due to the monumental popularity, the company decided to step into vertical integration that created a range of safekeeping Ayurvedic personal care products.
