Welcome To Krishlar Pharmaceuticals

Founded in India, with its long tradition of industrial entrepreneurship, Krishlar Pharmaceuticals, an ISO 9001: 2015 certified company, has become one of the most progressive pharmaceutical companies of Asia. At Krishlar Pharmaceuticals, We create value in the full pharmaceutical value chain from developing to manufacturing and successfully marketing pharmaceutical drugs and we take pride in doing this in an innovative, responsible and cost-efficient way. Krishlar Pharmaceuticals currently conducts operations across India and plans to expand outside over the next few years, aiming to become a global player. Our corporate culture and close collaboration with development and manufacturing partners are integral to our efforts to deliver high-quality products at affordable prices. We offer a product portfolio consisting of a broad range of high-quality drugs for all major therapeutic areas. It is part of our long-term strategy to expand the product portfolio of off-patent blockbusters while at the same time offering a broader range of products within more narrow disease areas. In Krishlar Pharmaceuticals, the products originate where the efficacy and safety are well-documented. Through our many collaborating partners, we have access to a vast range of technology platforms, enabling us to develop and enhance the intellectual property of our product portfolio.
