Welcome To L.V. Life Sciences

Established in the year 2008, in Himachal Pradesh, India, We “L.V. Life Sciences” are engaged in manufacturing and supplying qualitative array of Pharmaceutical Tablets, Pharmaceutical Capsules, Pharmaceutical Syrup, Pharmaceutical Cream and Protein Powder. We are known as third party manufacturer. The offered medical products are processed by our medical experts using high quality chemical compounds and latest processing techniques in compliance with the predefined medical industry standards. The offered medical products are highly demanded in the market for their features like effectiveness, hygienically packed, accurate composition, long shelf life and safe usage. To ensure their premium quality, these medical products are strictly tested on various quality parameters. In line with variant needs of our clients, these medical products are available in variegated packaging options.
