Welcome to La Grande Herbs And Pharma Ltd

The seeds for La Grande Herbs And Pharma Ltd. were sowed by Lt. Shri Ganga Saran Jindal. Started in 1974, the company has progressed slowly but strongly to where it stands today because of hard & sincere effort of Dr. Bimal Kumar Gupta. We are backed up by a state-of-the-art production plant in Haridwar in the state of Uttrakhand. Uttrakhand is famous as the Dev Bhumi, the land of GODS. Haridwar is one of the Holiest places where the drops of Amrit spilled during Samundra Manthan. This is the place where Ganga, the holy river, enters the plains of Northern India for the first time. Based in Haridwar, Uttarakhand, India, we are a prominent Manufacturer, Exporter, Supplier of Ashwagandha Capsules, Ayurveda, Herbal and Nutraceuticals Products. Some of products include Powders (Chooran), Ointments, Shampoos, Lotions and Soaps. Having rich experience and thorough understanding of the marketplace, we are able to hold the business with utmost perfection. Moreover, we run the organization as per prevailing market trends, promising to serve customers with updated solutions
