Welcome to La Pharma

LA - PHARMA was established in 1990, since nineties LA - PHARMA has achieved amazing and consistent growth, quantitatively and qualitatively to emerge among the top suppliers in the Indian pharmaceutical industry in a short span of eighteen years of operations. Needless to mention that in view of the excellent services being provided by us to our clients for the last number of years in the Pharmaceuticals and Chemical units, only "LA – PHARMA" name is enough. We are the C & F agents for INEOS films being manufactured by Caprihans India Ltd., Pharma grade sugar of Simbholi Sugars, Maize Starch of Bharat Starch Industries, IBU Profen of Trident Group and many more. Strengthening market share and keeping this customer

focus remains a high priority area for the company. The proprietors Mr. Pardeep Singla having come too close of the Pharmaceuticals and Chemicals Manufacturers in this part of the country undertakes vast tours of the renowned hospitals and nursing homes and has developed relations with such institutions in a big way.
