WELCOME TO LABINDUSS LIMITED

In the year 1984 Labinduss started its Journey when Founder and Managing Director Late Shri P. Ravindran aspired to provide quality Medicines that can be afforded even by the weakest section of the society. This aspiration is what has driven Labinduss all these days to provide Medicines with superior quality at most affordable prices. Labinduss with its motto has continuously improved its Manufacturing Facility Time to time in order to provide Medicines with international Standards.
