Welcome to Lama Pharmaceuticals

We are one of the prominent manufacturers and exporters of Ayurvedic Medicine in India. The products formulated by us are supplied across the globe. These are a renowned form of ancient medication, which is still preferred by a whole lot of people in India as well as abroad to cure diseases. For the formulation of these products, we use advanced processing unit, well equipped with the latest machinery appropriate for the preparing of medicines. Our manufacturing staff comprises pharmaceutical experts, baidhyas and researchers who have an in-depth knowledge of Herbs, its constituents, and the various effects these Herbs have on human body. Procurement of herbs from established vendors ensure that the products are of high quality, and are free from impurities.
