Welcome to Lapan Healthcare Private Limited

Lapan Healthcare was established in 2020 as per the Companies Act. We have a team of expert professionals with rich experience in their respective domains. Our professionals are selected on the basis of their qualifications and industry experience, and we check their background before employing them in our organisation. These professionals work in a coordinated effort towards delivering the best quality of products. Moreover, frequent training sessions are conducted to keep our professionals abreast with the development in the medical sector. We are taking giant strides in producing high-quality products. We manufacture an extensive range of products.
