Welcome To Lewis Bioserch Pharma Pvt. Ltd.

We, Lewis Bioserch, are one of the leading manufacturers and suppliers of Tablets, Capsules, sofgels, syrups, injectables ointments and beta lactam. Our range is extensively used in the medical sector, and is renowned for its purity & effective functionality. The organization follows GMP practices, and is well known for the exceptional product range, excellent operations & ethical business practices. We have an expansive infrastructure, which comprises a WHO & GMP certified production unit, testing laboratory, research & development facility and warehousing & packaging division. All units are equipped with the latest machines & cutting edge technologies to formulate a range that is widely considered best-in-class. The complete range undergoes several stringent quality checks to ascertain its purity, chemical ratio & accuracy of composition. IN order to meet the growing demands of the clients; we have set up an exclusive research & development, where all necessary researches are conduct to upgrade the range. Due to their extensive knowledge of the medical industry, the team of researchers are able to provide newer & advanced prevention solutions for diseases like diabetes, cancer & AIDS. The team also monitors the national & international markets for any advancement in technology that may benefit the clients or us. They also carry out market surveys to identify the specific medical requirements of the people. As your interest in franchisee marketing guides you towards an honorable, safe and lucrative business as a franchisee partner. You will also be the pioneer in your assigned territory, which will set you a class part. Simplify business model in pharma industry, deliver more innovative and number of products. Grow a diversified business in India and across the world. We are headed by Mr.Deepak Thakral, who has a rich experience of more than 10

years in this industry, and is counted among the best in this field and has presided as senior Officer in various reputed companies. Their able guidance has propelled us to a prominent position in this highly competitive industry, and their quality driven approach inspires us to provide the clients the best products in the market.
