## Welcome to Lianna Pharma

Lianna Pharmaceuticals is a pharmaceutical company involved in manufacturing and marketing its own pharmaceutical brands based on the Propaganda Cum Distribution (PCD) business model. The company seeks to assist distributors and pharma professionals in achieving their objectives by providing a diverse product range and district-based business opportunities in India. Its product portfolio encompasses tablets, capsules, injections, infusions, pediatric formulations, syrups, drops, topical products, ayurvedic products, and wellness products. This range enables franchise partners to cater to various market segments through a single business partnership. Lianna Pharmaceuticals provides district-wise monopoly opportunities throughout India, subject to availability, due diligence, applicable permissions, and mutually agreed terms and conditions. Product promotion should be based on the relevant product claims and prescribing information. The company upholds three core values: care, quality, and trust, with a focus on responsive assistance, practical communication, consistency in products and packaging, transparent territory discussions, and long-term business relationships.
