Welcome to Lianna Pharma

Lianna Pharmaceuticals is a pharmaceutical company involved in manufacturing and marketing its own pharmaceutical brands based on the Propaganda Cum Distribution (PCD) business model. The company seeks to assist distributors and pharma professionals in achieving their objectives by providing a diverse product range and district-based business opportunities in India. The product line of Lianna Pharmaceuticals encompasses tablets, capsules, injections, infusions, pediatric formulations, syrups, drops, topical products, ayurvedic products and wellness lines. This product range enables the franchise partners to cater to various market segments through a single business partnership. Lianna Pharmaceuticals provides district-wise monopoly opportunities throughout India on an availability basis after due diligence and relevant permissions and mutually agreed terms and conditions. It is also stressed that product promotion should be carried out based on claims and prescribing information for the product concerned. The company upholds the three core values, namely care, quality and trust. The company focuses on responsive assistance, practical communication, consistency in product and package, open discussion of territories and long-term business relationships with its business partners.
