Welcome to Lifemax Cancer Laboratories

Lifemax Cancer Laboratories, established in July 2017 and based in Haridwar, Uttarakhand, specializes in the trading and manufacturing of medicinal formulations for humans and animals. Led by Ashwani Garg, the company operates a modern production facility in the SIDCUL industrial hub, offering a range of products, including tablets, capsules, and nutritional supplements like Calcium and Vitamin D3. It also provides third-party contract manufacturing services to other pharmaceutical brands, ensuring effective distribution and retail of its treatments throughout the region. Committed to market integrity, Lifemax actively combats counterfeit products to protect its reputation and patient safety. The company has also ventured into animal healthcare, producing veterinary drugs such as Albendazole Bolus. By combining manufacturing excellence with a strong supply chain, Lifemax continues to be a vital healthcare product provider in Northern India.
