Welcome to LN Pharmaceuticals Private Limited

LN Pharmaceuticals Private Limited is a forward-thinking GMP-certified pharmaceutical company based in Hyderabad, Telangana, specializing exclusively in Oral Thin Film (OTF) drug delivery systems and Oral Dissolving Strip (ODS) contract manufacturing. Powered by its proprietary ThinFuel® Technology platform, the company develops and manufactures ultra-thin dissolving strips that deliver pharmaceutical and nutraceutical active ingredients with rapid sublingual absorption, enhanced bioavailability and superior patient convenience. LN Pharmaceuticals offers end-to-end manufacturing solutions, including formulation development, product scale-up, GMP-compliant manufacturing, finished goods packaging and regulatory documentation support. With a strong commitment to innovation, quality and regulatory compliance, the company serves pharmaceutical and nutraceutical brands across India and global markets.
