## Welcome To Logos Pharma

Logos Pharma is a well established and recognized name in pharmaceutical industry in India. Logos Pharma is an ISO 9001:2000 certified integrated health care company and is a sister concern of the renowned pharmaceutical company "Precision Pharma"which is producing quality medicines in India for more than two decades. Improvement in community health and production of the best quality medicines are some of the goals which we aspire to achieve with our business.The evolution of Logos Pharma is dedicated to service of "Medical Feternity". Logos Pharma has been evolved from our own very well recognized and appreciated brand Precision Pharma and is the exclusive marketing division of the same. Precision Pharma was introduced in early 90s in the district Mohali (Punjab) and Nalagarh (H.P) by the well versed pharmaceutical professionals. Logos Pharma has now introduced its wide range of Tablets (Beta lactum and non beta lactum), Capsules, Dry Syrups, Liquids, Injectables (dry and liquid) and Protein Powder in the Indian market. Quality assurance is a keyword we never like to compromise with. Our rich experience in pharmaceutical industry keeps us committed to the consumers about the quality of the medicines which we introduce to them.
