Welcome To Lustre Pharmaceutical Private Limited

We “Lustre Pharmaceutical Private Limited,” are trustworthy and prominent manufacturer of highly effective and pure Pharmaceutical Tablet, Pharmaceutical Capsule, Pharmaceutical Syrup, Pharmaceutical Drop, Pharmaceutical Injection, etc. Founded in the year 2001 at Ahmedabad (Gujarat, India), we have established a modern infrastructural base which assists our team members for making qualitative medicines and supplements as per the global set standards. The infrastructural base is further categorized into sub-divisions such as procurement, R & D, admin, sales, processing, quality control, packaging, warehousing, transportation, logistics, etc. Our processing division is well resourced with the latest machinery and modern technology that allow us to process medicines and supplements in large quantity with assured quality. Apart from this, we have been able to deliver these medicines and supplements across the nation due to our excellent logistic facility and swift delivery. Managed under the guidance of "Mr. Modi Hiren" (Director), our firm has gained huge success in the national market. Our offered medicines and supplements are processed using quality approved ingredients and modern processing technology under the most hygienic condition at our well-equipped production division as per the defined quality standards. Offered medicines and supplements are highly effective and are applauded due to their reliable usage, precise composition,

purity and long shelf life. To ensure their quality, these medicines and supplements are meticulously checked on diverse parameters by our quality experts. Clients can avail these medicines and supplements from us in different packaging material as per their different requirements. Apart from this, to store these medicines and supplements in a hygienic and safe manner, we have also constructed a well structural warehouse.
