Welcome to Maa Ayurvedic

Established in year 2005 at Nashik, Maharashtra, MAA AYURVEDIC has developed into India's one of the renowned ayurvedic Medicines Manufacturing company. We are involved in formulating, supplying and exporting large consignments of health friendly medicines for all types of general and emergency needs. Products offered to heal ailments of clients include Tonics, Tablets, Capsules, dry syrup, Ointment , Lotions, Hair Oil, Shampoos etc. Our medicines because of their quality and efficacy have created a reputation of themselves in the market. Due to our strong policy on quality maintenance our entire manufacturing process as well the formulated drugs has been certified by relevant authority . The products are known for accurate

composition, correct pH value, higher shelf life, and are very much safe to consume. With the motive of providing affordable health care to all especially to the lower strata of the society our company aims to see humanity disease free.
