Welcome to Maigan Pharma

Founded in 2019, we are India's swiftest expanding pharmaceutical company in terms of domestic sales, and specialize in marketing and selling a wide array of pharmaceutical formulations, including both acute and chronic therapeutic options, as well as numerous consumer healthcare products. Our focus lies at the nexus of the Indian pharmaceutical formulations and consumer healthcare sectors, with a commitment to providing superior products at affordable prices. Our ever-growing record of in-house brand development and expansion speaks to our ongoing success. Discover our extensive product portfolio of generic and specialty medications, including over-the-counter drugs. We focus on key therapeutic areas such as dermatology, gynaecology, orthopaedics, and more, addressing unmet medical needs. Committed to affordability and quality, we also offer a range of consumer healthcare products for a holistic approach to well-being
