### Welcome To Mantra Herbal

Mantra Herbal is an organic, authentic and all-natural skin care brand deeply rooted in the ancient science of Ayurveda, from the Baidyanath Research Foundation (BRF) - a celebrated name in health and wellness with a 100 year old legacy. Every product from Mantra Herbal reflects our passion for this ancient tradition of holistic medicine and we pride ourselves on working with a team of recognized and reputable Ayurvedic doctors. Borrowing knowledge from the age-old sciences of Ayurveda, our products are crafted keeping in mind the natural composition our body. Vata (Wind), Pitta (Fire), and Kapha (Earth) are three primary forces that govern our physical and mental constituency, and we are all a unique combination of these forces. Our range is

created with an intent to evoke harmony between body, mind and soul with organic formulations, rooted in ancient Ayurvedic wisdom and a revelation in sustaining beauty and wellness.
