## Welcome To Manved Pharma Private Limited

Manved Pharma Private Limited is a futuristic and vibrant pharmaceutical concern incorporated on January 19, 2022. As a private non-government entity, it is registered under the Registrar of Companies, Pune. Manved pharma works tirelessly toward improving healthcare condition and enhancing quality of life by offering high-quality pharmaceutical products which equal best efficacy and safety standards. Yes, other therapeutic segments also cater to a wide range of proprietary formulations in the form of tablets, capsules, syrups, injectables, and nutraceuticals. Western-quality manufacturing facilities are also comparable to the best in the world and strictly observe Good Manufacturing Practices (GMP) to maintain a very consistent level of quality. Manved Pharma believes in innovation and puts a constant effort into research and development programs to make available newer methods to help solve unmet medical needs. The organization treasured its long term relationship with healthcare professionals, distributors, and suppliers. The basis of such collaboration and building trust is that Manved Pharma concerns itself with making medicines accessible and affordable wherever possible to communities in India and all over the world. The company seeks-from quality to customer satisfaction and sustainability-to become the leader in the pharmaceutical industry and set benchmarks in healthy societal living standards. The organization treasured its long term relationship with healthcare professionals, distributors, and suppliers. The basis of such collaboration and building trust is that Manved Pharma concerns itself with making medicines accessible and affordable wherever possible to communities in India and all over the world. The company seeks-from

quality to customer satisfaction and sustainability-to become the leader in the pharmaceutical industry and set benchmarks in healthy societal living standards.
