Welcome To Martin Brown Bio Science

Martin & Brown was established in the year 1995 under the young & dynamic guidance of Mr. Vineet Maini, Mr. Puneet Maini and their team of highly qualified professionals with an objective of being leading players in generic pharma business. It's a rapidly growing multifaceted company with ultra modern facilities for manufacturing a huge basket of healthcare products for the past two decades. The company has created its strong presence in contract and third party manufacturing for reputed Pharmaceutical companies.

Our distribution network is well established in all parts of the country. We have been providing quality pharmaceutical products at affordable prices as we believe that good health & cost effective medication is everybody's right.
