Welcome To Max Life Sciences

Max Life Sciences is one of India's leading pharmaceutical companies offering a broad portfolio of finished pharmaceutical formulation. Established in the year 2004, the company manufactures and marketing finished pharmaceutical formulation in forms such as Injectable, Tablets, Capsules, Powders, Dry Syrups, Ointments and Creams, Cephalosporin – Anti-biotic, Over the Counter Drugs and more. Max Life Sciences stringently follows industry defined production and packaging norms. Moreover, available in FBB packaging, the finished pharmaceutical formulation offered by the company meets the international drug safety and packaging's guidelines. With well laid manufacturing

facilities that are accredited by FDA with GMP, the company caters to several Hospitals, Institutions, and Private Markets in the domestic as well as International market. Max Life Sciences is been successfully catering to global buyers with its contract manufacturing services. Dedicated production processes.
