Welcome to Mayasha Lifesciences

Mayasha Lifesciences is a trusted third-party pharma manufacturer situated in Nalagarh, Himachal Pradesh. The company produced quality medicines from 2000. It is fully engaged in the manufacture of pharmaceutical tablets, liquid orals, skin creams, and ointments. With many years of workings to its credit, Mayasha Lifesciences stands as a renowned name for safe, effective products. Employing stringent quality control measures, the company ensures that every single product passes the tests of set standards. The manufacturing unit comprises well-equipped plants fitted with modern machinery and state-of-the-art facilities. Through its cooperative efforts, Mayasha Lifesciences helps many pharma companies grow their business all across India by giving them trustworthy timely services. The company is always working on building better formulations to match the needs of a changing market. All products assembled at Mayasha Lifesciences are supervised by experts through power-packed methods from top-grade raw materials. Mayasha Lifesciences has always believed in forging long-term relationships with its clients. The company supports its partners with total transparency and professionalism. Packaging of the product is done in clean and secured conditions to maintain the product quality. Its vision is to make medicine of value and inexpensive for everyone.
