Welcome to Medfe

Medfe is one of India's reputed export houses and has obtained certification under ISO 9001:2015, ISO 22716:2007 (Cosmetic GMP), and GMP in manufacturing. Very high-quality newest production facilities are in place to ensure compliance with international standards for producing high-quality pharmaceutical and cosmetic products. Rigorous checks are conducted by our robust quality assurance department at every stage of product development to ensure compliance with stringent global guidelines. MEDFE is prominent for redefining beauty with excellence and affordability, as well as innovative product design and unique packaging. Development-oriented research and practices make MEDFE-to-pharmaceutical company hold strong promises-orienting advancement into advanced formulations for different medical needs. These practices of ours in manufacturing are on par with global best practices, hence consistency and efficacy of products. We are proud of our ethical ways of doing business and unabated commitment to customer satisfaction as a MEDFE. We were propelled by a passion for excellence and a duty to serve the healthcare industry with integrity. By synthesizing expertise and state-of-the-art technology, we aspire to fill the gaps that exist between economy and quality in medicine. Products are designed keeping in mind every healthcare need across the demographic spectrum. We believe in giving people access to reliable and effective healthcare solutions, no matter where they come from or how deep their pocket is. Sustainability and environmental responsibility shall drive our manufacturing processes and hence our organizational

priorities. We envision fa ar-reaching touch and impact that keeps MEDFE a trusted name in the pharmaceutical and cosmetic industries. Our commitment to research, quality, and affordability will lead towards constructing a healthier future, be it in India or away.
