Welcome to Medi Schwall Pharma Private Limited

We are a leading Indian pharmaceutical company with global operations, engaged in the export and sale of pharmaceutical and neutraceutical products.Established in 2013, we produce high-quality branded generics, generic drugs, active pharmaceutical ingredients and neutraceuticals, which we market in India. With a comprehensive portfolio of over 10 brands covering all the major therapeutic segments. We have Anti-infective, Gastro-intestinal, Pain management and Peadiatric . Our iconic brands like Wallixim 200 DT , Wallpod 200 DT, Wallpod 50 Dry Syp Rwall-DSR, Acewall-P, Acewall-SP, Dicwall-AQ Inj. Diwamef-P Susp, Schwarest Susp, Montewall-LC tab and many more. Apart from having a strong foothold in the domestic market, we also have presence in international markets, with the Gulf countries being the key focus International market. Our International business contributed about 47% to our overall revenues and is one of the important growth drivers for the company.
