Welcome to Medicaps Limited

Medicaps Limited, which is a Flagship Company of the Medi-Caps Group, has been one of the largest manufacturers of empty hard gelatine capsules in terms of manufacturing capacity as well as market capitalization in India since the last three decades. In the year 1983 Medi-Caps Limited entered the highly competitive market with a team of dedicated professionals. At Medi-Caps Limited a philosophy of growth has been consistently upheld with good business practices, clear focus, excellent infrastructure, a powerful quality policy and a well defined management information system which helped the Company to achieve consistent growth.
