## Welcome to Mediex Healthcare Pvt. Ltd.

was established in 06/05/2011 by visionary young entrepreneur Amit Dixit with clear vision of providing qualitative and affordable medicines to mass public in central India and creating a unique brand in medical industry which would be known for quality and commitment. This has come true as Today Company in central India has brand value which others have not been able to achieve even after long presence. Having corporate office in Pune, Mediex Healthcare has strong presence in Madhya Pradesh, Rajasthan, Maharastra, Chhatisgarh, U.P, Gujrat and west Bangal. Company has grown steadily from very first day of its existence. Growth of the company can also be seen through product range, relationship and Brand Value with Doctors and experienced management and field staff. Amit Dixit before starting the company has vast experience of 12 years in pharma industry. He has served in various positions in reputed pharma Companies. His experience and vision had very crucial role in success of the company. Turnover has grown with growth of the company in such competitive environment which is reflected in Audited Financials Company is having strong and experienced sales force and management team. Sales force includes 18 Managers and 125 Medical Representatives.
