Welcome To Medilogy Biotech

Medilogy Biotech is an animal health company engaged in manufacturing and distribution of veterinary medicines including dogs, pets and large animals. It is a sister concern of "Biocare Remedies", which was established in 1984 and is engaged in the manufacturing of pharmaceuticals. Medilogy Biotech discovers, develops, manufactures and markets veterinary medicines, complemented by diagnostic products and a range of services. It was formed with the mission "to spread happiness in the world by enhancing the lives of pets and pet parents. We have our own in-house manufacturing unit with a wide range of products, ensuring the best quality at very competitive prices to help maintain your pet's happiness and keep them in optimum health! At Medilogy Biotech, our work is guided by a simple vision - that our products and services will be the most valued by animal health customers around the world. We are working every day to better understand and address the real-world challenges faced by those who raise and care for animals in ways they find truly relevant. Our company is dedicated to supporting veterinarians and livestock producers everywhere who raise and care for the farm and companion animals on which we all depend.
