Welcome to Medirev Pharmaceuticals

Founded in 2002, Mittal Pharmaceuticals's aim is to serve humanity by bringing pure, authentic and effective Ayurvedic products at affordable prices. Keeping this in mind, we have been manufacturing authentic Ayurvedic products, strictly complying with the specifications mentioned in ancient Ayurvedic approved scriptures such as Charak Samhita, Sushruta Samhita and Bhaishajya-Ratnavali etc., with the help of modern technology. Building on our rich Ayurvedic legacy and health expertise, we have become one of India's leading Ayurvedic company today. Mittal Pharmaceuticals is India's most trusted name in Ayurvedic World. We have carved a niche in the industry with our thoughtfully created products that adhere to industry standards by providing strong quality assurance. Medireveshop is a technology-

enabled one-stop-shop for Ayurvedic products belonging to categories such as Immunity, Digestive Health, Sexual Wellness, Mental wellness and Bone & Joint Health. By introducing Medirev Pharmaceuticals, we are redefining the health and wellness sector by providing a virtual platform where the customers can assess, research, compare and appraise before purchasing an Ayurvedic product. We provide accurate, authoritative and trustworthy information on all our products, and are steadfast in our commitment to make Ayurvedic solutions accessible to millions by providing quality care at your fingertips.
