Welcome To Mediwin Laboratories

Mediwin Laboratories is a steadily growing pharmaceuticals marketing company that is the crown jewel of Mediwin Group of Companies. Established in 2012 by coming together of industry veterans, we have since created a pan India network of 400+ headquarters where our products are regularly sold. We offer more than 400 products which are neatly categorized in multiple divisions and product ranges. Our range of products cover the entire human medicinal need such as Cardiology, Dental, Dermatology, ENT, Gastroenterology, Geriatric, Gynaecology, Neurology, Orthopedic, Pediatric, Physician and Surgeon. Dosage form of medicines in above branches of medicine that we offer are Capsules Suppositories, Drop, Dry Syrup, Gel, Ointment, Injectable, Syrup, Suspension, Oil, Malt, Powder, Sachet, Tablet & Soft gel. What makes us stand out from other “Me too” type of pharmaceutical companies is our research and innovation when it comes to our products. We have launched many “First time in India” products like suppositories and our highly effective combo therapies to name a couple. Another thing that makes our company so successful is our constant efforts towards training and development of Mediwinners. We know from experience that for any medical representative, it is a challenge to enter the doctor’s chamber and talk about their products. We at Mediwin equip our team to take on that challenge confidently and ensure that they get positive response owing to our scientifically created promotional and marketing material. We at Mediwin are on a mission to deliver better Human health outcome in Indian society. Over the last 10 years we are accelerating towards that goal through research, innovation and Quality.
