Welcome To MEDIWIN PHARMACEUTICALS

MEDIWIN PHARMACEUTICALS a WHO-GMP Certified Company with ultra-modern, State of The Art plant is situated in Ahmedabad-Gujarat-India. The manufacturing facility was commissioned in the year 1993 and is being continuously updated and precisely maintained regularly. We manufacture more than 500 various therapeutics formulations like anti-bacterial, analgesics & anti-inflammatory, anti-ulcers, anti-malarial, anti-fungal, Dermatological products, anti-hypertensives, anti-diabetics, hormones, anticancer, Anti allergic & anti cold, nutrient and vitamins for domestic and international markets. We also Manufacture & Export Cosmetics, Dietary Supplements, Sweeteners, OTC Products, Phytochemicals and Natural Extracts. Apart from a

strong presence in domestic market, we export our products to more than 20 countries. Our vision to “Plan ahead of Present” has resulted into manufacture more than 500 high quality formulations.
