Welcome To Medok Life Sciences Pvt. Ltd.

Incepted in the year 2010, in Chandigarh (India), we “Medok Life Sciences Private Limited” are the noteworthy manufacturer, trader and supplier of an extensive range of Pharmaceutical Tablet, Pharmaceutical Capsule, Pharmaceutical Syrup, Protein Powder, Pharmaceutical Injection, Pharmaceutical Gel and Oil, Pharmaceutical Sachet, etc. These medicines are processed from the mixture of pure quality active agents with the help of highly developed machines in adherence to set industry standard. Our offered medicines are medicated for the treatment of several diseases by number of doctors. The offered medicines are precisely checked on every stage of quality parameters before being supplied to our clients. These medicines are appreciated by our clients for their enormous features such as zero side effects, safe to consume, accurate composition, effectiveness, reliable, safe packaging, long lasting relief, hygienically processed, long shelf life and fast relief. Our offered medicines are made available in gradation of various packaging options to prevent them from environmental factors. Our organization is facilitated with widespread infrastructure unit that is equipped with all types of processing machines and instruments. This unit is segregated into different departments such as processing, quality testing, packaging, warehousing sales & marketing, research & marketing, etc. All these departments help us in meeting urgent and vast demands of our clients in stipulated time-frame. Under the futuristic guidance of our mentor “Mr. Rajeev Madan” (Director), we are continuously increasing our business and long list of our clients. Due to

their business running skill and hard-earned experience, we have attained a dynamic position in the market.
