Welcome to Medycine Pharma

The best third-party manufacturer within Tricity, Medycine Pharma, is very well-known for quality, innovation, and excellence in pharmaceutical manufacturing. Being GMP and ISO certified company, we enable ourselves to world's most stringent conditions for quality and safety in each product manufactured. The state-of-the-art manufacturing facility is backed with advanced technologies that give us the capability of producing various categories of premium pharmaceutical products, addressing a lot of healthcare needs. Since we strongly lay emphasis on R&D, we constantly make improvements in formulations and enhance medicine effectiveness. A dedicated group of experts works day and night to keep conformity with global regulatory norms and maintain quality stability of products. We manufacture tablets, capsules, syrups, injections, and other pharmaceutical formulations, and provide bespoke solutions for our clients. Our supply chain management operates quite efficiently to ensure adherence to timely delivery, thus enabling easy business expansion with our partners. We consider it important to operate ethically and maintain long-lasting relationships with clients based on trust and transparency. Medycine Pharma makes sure that its products can be availed at affordable yet superior quality; hence making healthcare facilities reach to all.
