Welcome to MEPRO PHARMACEUTICALS PVT LTD

Mepro Pharmaceuticals Pvt. Ltd., is a privately owned pharmaceutical company with over 3 decades of experience in manufacturing of tablets, capsules, creams/ointments and sterile Injectables. With a potent combination of state of the art manufacturing facilities, pool of diligent employees and niche products,it is now associated with the best pharmaceutical companies world-wide. Today Mepro employs over 700 people under its parent company and together has a sales turn-over of over 25 million USD. Under its 3 different manufacturing locations it covers a total of 300,000 sq.ft of constructed area providing products across various therapeutic segments and dosage forms,thereby making it a one-stop destination for its clients. Its stringent GMP compliance is evident from its approvals of UK, MHRA and PIC/S nations besides governing bodies of many other countries.
