Welcome To Metrix Healthcare India

Metrix Healthcare India came into being in the year 2001 and proved its competency as the leading Manufacturer and Exporter of the wide range of Pharmaceuticals Drugs. All of our products are known for their optimum quality & effectiveness and find applications in Pharma Industries. Our dedicated marketing team and allied professionals help us to co-ordinate with suppliers to offer a quality range of products which are of the international standards. Products offered under these categories are Rabeprazole Tablets 20 mg, Domperidone 10 mg, Omeprazole Capsules 20 mg, Omeprazole 20 mg, Protein & Vitamins, Vitamin & Minerals Syrup, Vitamin & Minerals Plus, Serratiopeptidase Tablets and many more. Our range is formulated by using appropriate chemical composition. Pharmacist engaged in formulation is highly experienced and ensure that best range is delivered to the clients.
