Welcome To Milimax Healthcare Pvt. Ltd.

Established in the year 2005, we, Milimax Health Pvt. Ltd. Care have built a well-acclaimed reputation in the market by manufacturing, supplying and trading a wide range of pharmaceutical capsules, tablets, injectables, syrups and many other products. The range offered is accepted among customers for their notable features such as precise composition, non-toxic, quality testing, no side effects, long shelf life, purity and many more. In addition, our range is formulated using precise chemical composition and other qualitative ingredients, which we obtain from authorized as well as industry certified vendors. In addition, incorporating the latest methodology and techniques into our production process has enabled us to improve our manufacturing capacity and cope with the growing growth of the industry. We are also focused towards research and development to bring innovation in our manufacturing technologies. Under the efficient guidelines of Mr. Sudhir Ahuja, our company has marked a desirable place in the industry. His years of industrial experience, sound knowledge of the relevant field and ethical business approach have helped us to gain the trust of customers who are based across the country. Our company has established a sound infrastructure set-up that helps us develop bulk consignments and execute all tasks in the best way. We have well separated the entire set-up in various other departments like production, storage and packaging, sales and marketing, research and development, quality control, administrative, logistics and many more. Due to this categorization, we have been able to accelerate of our business operations and carrying out smooth

operations. We also upgrade our infrastructure on timely basis to keep ourselves in line with the prevailing market developments.We are supported by a highly experienced and knowledgeable team of professionals, who helps us to meet the requirements of clients efficiently by offering them, desired product range. We are having the team of qualified production experts, quality analyzers, research and development personnel, sales and marketing experts, logistics personnel, warehousing and packaging experts, administrative personnel and many others. They all are expert in their concerned domain, which further assists us in offering best solutions to the clients.
