Welcome to MMC Pharmaceuticals

The History of MMC Pharmaceuticals Ltd dates back from 1987 (Started as a Partnership Company Viz Madras Medical Company in 1987, Converted as a Public limited company by name MMC Healthcare Ltd in the year 1997 and in the year 2016, demerged from MMC Healthcare Ltd as MMC Pharmaceuticals Ltd. With a vision of creating an everlasting organization in the pharmaceuticals & Healthcare space by a team of Pharmaceutical Professional with nearly 36 years of pharmaceuticals experience. We are an asset light organization focused only on marketing and the production part of the business is outsourced from quality pharmaceutical factories throughout India and also from global companies. Currently we are focused on Pediatric, Neurology, Respiratory, Gynecology and infertility therapy areas and will be expanding to other therapy areas at appropriate time.
