Welcome To Mondove Biotech Pvt. Ltd.

Mondove Biotech is one of those rapidly and steadily growing pharmaceutical companies that deals with discovering the latest formulations, developing advanced medicines, marketing these pharmaceutical products, and also exporting them to various parts of the globe. Our motto involves developing and distributing the best-in-class drugs at affordable rates to the people of India, which will also be available for the people of the entire planet. With the help of our vast network of distributors and agents, we ensure that our drugs reach out to every corner of the country. We aim at being able to spread our wings so that we can also reach out to all those parts of India that are yet to be explored. We are always on the lookout for newer distributors, sole distributors,

and franchise. We at Mondove Biotech aspire to lead the diverse market of the pharmaceutical industry with an unmatched reputation on the benchmark of quality, innovation, social responsibility and consistency. We are a budding pharmaceutical company with more than 100 products and most of them are DCGI approved new molecules and unique Nutraceuticals that are manufactured at WHO GMP certified units. We are fortifying our presence with varied therapeutic segment-wise products that are listed in medical journals like CIMS, Drugs Today and IDR, etc. Our formulations, world-class packaging and design are aesthetic as well as novel.
