Welcome to MP Pharmaceuticals

Our founders started homoeopathic pharmacy in Bhopal during 1960's , Which lead to understanding of the market gap of providing quality homeopathic medicines at affordable prices, delivered with class apart customer service. This lead to the foundation of MP Pharmaceuticals Company in 1988 as one of the first homoeopathic medicine manufacturing units in Madhya Pradesh & Chhattisgarh. Eventually company was certified with GMP & ISO 2001-2015 certification, the strength of our company has always been continuous innovation to develop effective formulations. Currently our team consists of Researchers , Doctors, Quality assurers & strategic thinkers to drive our expansion to make our products easily accessible across the country.
