Welcome to N.R.Fragnances

AROCHEM, a very well known Entity in the world of Fragrance Industry was established four decades back on 20th Sep 1969 and has been actively in operation since then. The founder, Late Shri Mohan Bhai Patel, had been closely involved in the manufacturing activities. AROCHEM was unique in the state of Madhya Pradesh at the times of establishment. The Quality of Perfumery products in course of time gradually gained fame in the market solely depending on the Quality factor which remained constant even when the market varied from time to time in various aspects.
