Welcome To Nanz Med Science Pharma Private Limited

Appreciated among our customers across the nation as a manufacturer and trader of a board array of high effective disinfectant products, “Nanz Med Science Pharma Private Limited” started its operation in the year 2006. The product range offered by us is inclusive of Liquid Antiseptics, Disinfectant Solution, Cream and Ointments, Pharmaceutical Gels, Sprinkling Powder and many more. Our offered products are widely admired by our esteemed patrons spread all across the market for their salient features such as long shelf life, premium quality, highly effective, accurate composition, no side effects, free from impurities etc. We do not compromise with quality, therefore, we have adopted strict quality parameters recommended by the industry. Also, we make safe and sound packaging of our entire gamut, in order to preserve or retain the original value of our products.
