Welcome To Naos Skin Care India Pvt Ltd

Created in 2011, the BIODERMA Foundation, sponsored by the Fondation de France, has the essential mission of supporting the development of dermatology around the world. It represents the culminating point for a brand that has always relied on dermatologists to move forward. Coming full circle, the BIODERMA Foundation actively helps disseminate knowledge of dermatology among doctors all over the world and advance fundamental biology research through an ethical and socially-responsible approach. A symbol of the BIODERMA Foundation's commitment to dermatology, the "World Rendez-Vous on Dermatology" is a unique annual meeting place for top specialists from all continents for first-rate exchanges and transfers of know-how.
