Welcome To Neptune Life Sciences Pvt. Ltd.

Neptune Life Sciences Pvt. Ltd. is a reputed concern engaged in manufacturing a wide range of quality pharmaceutical products. Our quality range of products is manufactured as per GMP standards and caters to all requisites in the core business activity of pharmaceutical formulations. We are committed to ensure a good health by providing quality medicines at affordable prices. Within a short span of time we have made our mark in the pharmaceutical industry with 500 products in most of the states of the country. We are supported by a very well qualified and competent technical staff specializing in R & D, which is conducive for a pharma industry to grow. With the view to facilitate betterment of life, we have been

continuously producing formulations that are judicious amalgamations of ancient knowledge and modern research. We have established ourselves in the field of pharmaceutical products under the guidance of our mentor Mr. Ravinder Singh. & Mr. Parwinder Singh. His core competency is in bringing innovative combinations in this business thus leading to a wide client base across the globe. He, along with his dedicated team has shown consistent tremendous efforts to provide safe, effective and reliable pharmaceutical products to our customers.
