Welcome to Neurocon Inc

Neurocon Inc is a Well-known Pharma Company in India for Neuropsychiatry Range. The Company is engaged in manufacturing, supplying, trading, and marketing pf Neuro & Psychiatry Medicines. We have come up with a comprehensive range of neuropsychiatric products that encompasses a range of medical conditions like Depression, Bipolar Disorder, Obsessive-Compulsive Disorder, Anxiety Disorders, Psychotic Disorders, etc. We have more than 100 products in Neuropsychiatry Range and try to cover all kinds of Neuropsychiatry Medicines like Anti-Psychotics & Hypnotics, Anti-Addiction, Mood Stabilizers, Antispasmodic, Anxiolytics, Anti-Depressants, Anti-Epileptic. Our products are manufactured from WHO-certified plants which ensure us as the best quality of products for Neuro Range. Now we have the plan to increase the reach and demand for our Neuropsychiatry medicines by offering the Pharmaceutical Franchise at the Pan India level. Our Franchise Model is based on monopoly rights, high-profit margin, the best quality of products with attractive packaging, and free promotional tools. Neurocon Inc is a Chandigarh-based Pharma company for Neuro and Psychiatry Range. The company with its unwavering commitment to and through its world-class products for neuropsychiatry emphasises quelling the detrimental effects these mental disorders can have on human bodies. We say without any reservation that our products are of the utmost quality and have been prepared under strict quality guidelines. Our products are available in all kinds of formulations such as Tablets, Capsules, Injections, and Liquid, etc. Our Neuro range is best in the term of quality, packaging, and reasonable prices which make us the best Neuropsychiatry Company In India. So, we are welcoming all pharma distributors and Medical Representative to join hands with us for a

Franchise Business opportunity at the Pan India level.
