Welcome To Nexlife Nutrascience

We “Nexlife Nutrascience” founded in the year 2014 are a renowned firm that is engaged in manufacturing, exporting, wholesaling, trading and distributing a wide assortment of Nutritional Powder protein powder, Oral liquids, Nutritional tablets and Capsules, Enzymes Formulation, Antioxidants Capsules And Tablets etc . We have a wide and well functional infrastructural unit that is situated at Ahmedabad (Gujarat, India) and helps us in processing a remarkable collection of Nutritional products as per the global set standards. We have attained an utmost place in the market with the strong support of our huge infrastructure department. This base is further well-segregated into assorted sub- units such as procurement unit, formulation unit, quality- control, research & development, warehousing & packaging, etc. These fully functional sub- units work efficiently & smoothly under the strict management of our skilled team of personnel, which make sure that whole business procedure is carried out as per the strict quality system. At our in-house quality testing laboratory, every product is strictly examined on pre-defined quality parameters in order to offer our customers only pure array of products.
