Welcome to Nimesh Pharma

Our longevity is an extraordinary achievement, especially against the local and international challenges, and the agricultural, industrial and now technological revolutions. This story is best told through our milestones. Starting our journey as Pharmacy in suburban of Vadodara to becoming a best in class Export house has a lot to say about our business. We initiated with mere five products and now we have over 60 products portfolio includes finished formulations – Tablets, Capsules, Injections, Powder for Injection, Other Preparations.
