Welcome to Nivika Chemo Pharma Pvt. Ltd.

In the year 1993 we entered the market with the aim to give our customers a complete satisfactory package of products and services. Since then we have worked to achieve and maintain our aim. The technologies we give to our customers are well researched and tested. Our on-time services have made us popular amongst our clients. Since our inception, we are focused on making specialty whitener and Pharma API's. The ISO 9001:2000 certificate is there to our credit and we are working for WHO GMP certification and EU GMP certification.
