Welcome To North India Life Sciences Pvt. Ltd.

Where health has become an increasingly major concern, we, North india life sciences Pvt. Ltd., has come up with complete health care solutions. We are specialized manufacturer, exporter and supplier of ayurvedic medicines . We have competence to supply voluminous quantities directly to Ayurvedic Practitioners, Manufacturers, Hospitals, Government Suppliers in India, Sri Lanka, Nepal and Bangladesh.We have been handling the secret of these ancient medicines from generations to generations. In this regard, we are helped by a team of professionals who help us in keeping the authenticity and purity intact. All medicines are processed in our in-house production facility to ensure effectiveness, hygiene and accurate composition. Reliability and authenticity are the two main factors that have made our products famous in not only national market but also overseas markets.
