Welcome to Novaflex Pharmaceuticals

Novaflex Pharmaceuticals is a dynamic and rapidly expanding pharmaceutical company located in Baddi, Himachal Pradesh, with a vision to provide affordable and quality health care solutions throughout India. Through its specialization in third-party manufacturing, PCD pharma franchising, and contract manufacturing, Novaflex is capable of producing a broad range of allopathic, nutraceutical, and cosmetic products. Novaflex cares deeply about innovation and excellence in all aspects of production and is committed to only using WHO-GMP and ISO-certified facilities when manufacturing any product. This commitment to these certification requirements ensures that all products manufactured by Novaflex meet the highest standards for quality, safety and efficacy. The company's product line includes all types of tablets/capsules, syrups, injectables, sachets, and protein supplements. These products are manufactured for different therapeutic segments so they can be used by physicians and other health care providers in the treatment of medical conditions. Novaflex has established itself as a trusted source within the pharmaceutical industry by following ethical business practices and focusing on providing exceptional customer service. As a result, Novaflex has developed strong, long-lasting relationships with their clients and business associates throughout India. Furthermore, Novaflex provides PCD pharma franchise opportunities with exclusive rights to sell its products, attractive packaging, and effective marketing support in order to assist its franchisees in growing their businesses. With a highly-skilled workforce and an efficient supply chain, Novaflex delivers products in a timely manner with consistent product availability making it one of the

most reputable manufacturers within the pharmaceutical industry.
