Welcome to NUSEARCH PHARMA PVT. LTD.

We are dedicated to helping people fulfill their health needs. Since our establishment, Nusearch Pharmas has dedicated themselves in manufacturing & Exporting psychiatric range of pharmaceutical drugs. Backed by ultra modern formulation facilities, with fully automated production process. Our organization offers psychiatric range of products in the pharmaceutical dosage forms like Tablets, Capsule, Injectable, Syrup, Dry Syrups Etc. Backed by a state-of-the-art infrastructure and manufacturing process following to W.H.O G.M.P norms have enabled us to cater to the needs of our vast clients base. We have a in-house testing facility and technological advance R & D facility to provide us with extra advantage over our competitors. Being a trusted organization, we give top most priority to the quality aspects. Our vigilant quality testing associates rigorously check the finished product on several quality norms. Under the able guidance, of our mentor Mr. Satish Balana, we have gained a strong foothold in psychiatric industry. His strong business acumen combined with the diligent efforts of our proficient team of professional has resulted in phenomenal success of our organization.
